The Escape

The Escape has a design that implements elements of engineering to help you "escape" small oscillations in the water. The dihedral design of the blade allows for easy pull through the water, moving you forward on less effort.

Available Shafts

Aluminum Fiberglass

Paddle Details

Available Format 1 or 2 Pieces
 Blade Angle 60° RHC 60° LHC and Unfeathered
 Blade Size 7.1" x 18"
 E Series 39 oz
 Aluminum Shaft 39 oz
 Fiberglass Shaft 37 oz
 Sizing Range 210 cm - 250 cm
 Sizing Increment 10 cm

Available Colors (Click to Change)

Fiberglass Ferrule

Paddle Sizing Chart - Cannon Paddles

Paddle Sizing Chart

This Chart will determine the correct length of paddle for your needs.

Paddler Height	Boat Width Under 23"	Boat Width 23" - 25"	Boat Width 25" +
Under 5'	210	220	230
5' - 5'6"	215	220	230
5'6" - 6'	220	220	230
6' +	220	230	240
